

Letter of Reference for Ivonei Junior

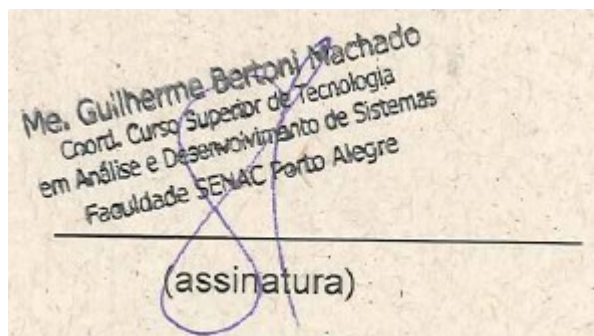

To Whom It May Concern:

I'm having the pleasure of teaching Ivonei in Faculdade Senac Porto Alegre. From the first day of class, Ivonei impressed me and all of my colleges with his ability to be articulate about difficult concepts and programming skills, his sensitivity to the nuances within systems analysis and development, and his passion for reading, writing, and creative expression- both in and out of the classroom.

Throughout the year Ivonei was an active participant in our course as a student representative, and he always supported his peers. His caring nature and personality allow him to work well with others in a team setting, as he always respects others' opinions even when they differ from his own.

I am certain that Ivonei is going to continue to do great and creative things in her future. I highly recommend him for **employment**. He is talented, caring, intuitive, dedicated, and focused in his pursuits. Ivonei consistently seeks out constructive feedback so he can improve his skills, which is a rare and impressive quality in a college student. Ivonei is truly a stand-out individual who will impress everyone he meets. Please feel free to contact me if you have any questions at gbmachado@senacrs.com.br
